ADULT VOLUNTEER QUESTIONNAIRE

Our FredCamp mission statement: "Serving God by putting our Christian faith into action!" To define it, FredCamp is an ecumenical Christian work camp for high school youth working to change hearts and homes in the Fredericksburg area.

The support staff of FredCamp--everyone who is not a camper--serves Christ by providing a Christian environment where teen and adult campers can focus on their mission. The campers serve Christ as His hands and feet in the project homes, doing the repair work and touching the lives of the residents. The support staff members serve Christ as His hands and feet in service to the campers, enabling, empowering and equipping them to do the work they came to camp to do and giving them room to grow in their faith as they work. Our number one goal is to grow stronger, more faithful hearts in all who are involved; our secondary goal is to complete a list of pre-determined home repairs for area homeowners who need this help. To provide the kind of environment where spiritual growth can take place, the staff must all work together, attending to all the details so everyone remains focused on Christ throughout the week. A lot of coordination is necessary to make sure we staff every need every hour of every day. Please tell us how you'd like to help!

What is your availability during the week of July 2 – July 8, 2017 (circle one)?

FULL WEEK (INCLUDING JULY 4) PARTIAL WEEK

If you circled 'partial week', when choosing jobs below, write in the day(s) that you will be available.
